## Opening a New Card Account/Card Activation

You will need to provide personal information in order for us to verify your identity and the identity of any Secondary Cardholder ("Register"). Both the Primary Cardholder and Secondary Cardholder must Register and activate the Card before it can be used.

**IMPORTANT INFORMATION FOR OPENING A CARD ACCOUNT:** To help the federal government fight the funding of terrorism and money laundering activities, the USA PATRIOT Act requires us to obtain, verify, and record information that identifies each person who opens a Card Account. **WHAT THIS MEANS FOR YOU:** When you open a Card Account, we will ask for your **name, address, date of birth, and your government ID number**. We may also ask to see your driver's license or other identifying information. Card activation and identity verification required before you can use the Card Account. If your identity is partially verified, full use of the Card Account will be restricted, but you may be able to use the Card for in-store purchase transactions. Restrictions include: no ATM withdrawals, international transactions, account-to-account transfers and additional loads. Use of Card Account also subject to fraud prevention restrictions at any time, with or without notice. **Residents of Vermont are ineligible to open a Card Account.**

You may Register and activate your Card by calling **(866) 753-6440** or by visiting [www.PayPal.com/prepaid](http://www.PayPal.com/prepaid). You must set a Personal Identification Number ("PIN") to activate your Card (see the section labeled "Personal Identification Number").

In order to access all features of the Card, this Card must be activated and linked with your pre-existing PayPal Account established at [www.PayPal.com](http://www.PayPal.com), or you must establish a PayPal Account when you activate this Card online at [www.PayPal.com/prepaid](http://www.PayPal.com/prepaid). See the section labeled "*PayPal Account Requirement*" for more information about the functionality that will not be available to you if an activated Card is not linked to a PayPal Account.

### PayPal Account Requirement

#### **FULL USE OF THIS CARD ACCOUNT REQUIRES A PAYPAL ACCOUNT.**

If you do not already have a PayPal Account you will link to this Card Account, visit [www.PayPal.com](http://www.PayPal.com) to get one, or get one when you activate this Card online at [www.PayPal.com/prepaid](http://www.PayPal.com/prepaid). You will not be able to go online or use the PayPal Prepaid Mobile App to access balance information, your transaction history, PayPal Transfers, rewards programs offered in connection with your Card Account, and the optional Savings Account unless you link a PayPal Account to this Card Account.

By linking your PayPal Prepaid Mastercard to a PayPal Account, you are consenting that certain information about your use of the PayPal Prepaid Mastercard, such as your Card Account balance, will be shared with PayPal for display in your PayPal Account at [www.PayPal.com](http://www.PayPal.com).

Only one (1) PayPal Prepaid Mastercard account may be linked to a PayPal Account, and only one (1) PayPal Account may be linked to a PayPal Prepaid Mastercard account. If a member of your household has another PayPal Prepaid Mastercard account, a separate PayPal Account in that person's name is needed.

**NOTE: If your PayPal Account is closed or access to PayPal Services (as defined in the PayPal User Agreement) is closed, suspended, or limited by PayPal at any time, then you WILL NOT be able to link your Card Account to your PayPal Account and you WILL NOT have any access to the online features of the Card Account. For example, if your access to the PayPal Services is limited, you will not be able to check your Card Account balance online unless and until your access to the PayPal Services is reinstated, even if you have previously been able to check your Card Account balance online. You will still have access to alternate methods of checking your Card Account balance, including use of our real-time alerts short message service (typically referred to as an "SMS")**

**message) or by telephoning Customer Service at the toll-free number shown on your Card, and you can still request a sixty (60) day written history of Card Account transactions (see the section labeled “Card Account Balance/Periodic Statements” for more information about this process).**

The Bancorp Bank and Mastercard are not affiliated in any way with the PayPal Account and do not endorse or sponsor the PayPal Account to which various sources, including a PayPal Prepaid Mastercard, may be linked.

### **Personal Identification Number**

You must set a PIN when you Register and activate your Card. You should not write or keep your PIN with your Card. Never share your PIN with anyone. When entering your PIN, be sure it cannot be observed by others and do not enter your PIN into any terminal that appears to be modified or suspicious. If you believe that anyone has gained unauthorized access to your PIN, you should advise us immediately following the procedures in the paragraph labeled “*Your Liability for Unauthorized Transfers.*” To Register your Card, call **(866) 753-6440** or visit **[www.PayPal.com/prepaid](http://www.PayPal.com/prepaid)** and provide the following personal information: first and last name, physical residential address, date of birth, and Social Security number or Government-issued identification number.

### **Authorized Card Users**

You are responsible for all authorized transactions initiated and fees incurred by use of your Card. If you permit another person to have access to your Card, Card Number, or Virtual Account, we will treat this as if you have authorized such use and you will be liable for all transactions and fees incurred by those persons. You are wholly responsible for the use of each Card and Virtual Account according to the terms and conditions of this Agreement.

### **Secondary Cardholder**

You may request an additional Card for a Secondary Cardholder (“Additional Card”). The maximum permitted number of Secondary Cardholders with Additional Cards limited to two (2). You must notify us to revoke permission for any person you previously authorized to use the Card. If you notify us to revoke another person’s use of the Card, we may revoke your Card and issue a new Card with a different number. You remain liable for any and all usage of any Additional Card you authorize. There is no fee for ordering an Additional Card for a Secondary Cardholder. A fee may be assessed for expedited delivery of an Additional Card; for more information about the delivery options and applicable fees, see the section labeled “*Fee Schedule.*”

### **Your Representations and Warranties**

By activating the Card or by retaining, using or authorizing the use of the Card, you represent and warrant to us that: (i) you are at least 18 years of age (or older if you reside in a state where the majority age is older); (ii) you are a U.S. citizen or legal alien residing in the fifty (50) states of the United States (“U.S.”) or the District of Columbia; (iii) you have provided us with a verifiable U.S. street address (not a P.O. Box); (iv) the personal information that you provide to us in connection with the Card is true, correct and complete; (v) you received a copy of this Agreement and agree to be bound by and to comply with its terms; and (vi) you accept the Card.

### **Address or Name Changes**

You are responsible for notifying us of any change in your physical address, mailing address, e-mail address, telephone number, including any number for which you have opted-in to receive text messages (“text message address”), or your name, no later than two (2) weeks after said change. Any notice of change of address, name or other contact information required by this Agreement, may be provided to us via e-mail at [prepaid@PayPal.com](mailto:prepaid@PayPal.com) or by telephone at (866) 753-6440. Requests for address or name changes may be subject to additional verification requirements.

We will attempt to communicate with you only by use of the most recent physical mailing or residential address (if different) or e-mail address or text message address we have on file for you. You agree that any notice or communication sent to you at the address noted in our records shall be effective unless we have received an address change notice from you.

### **Cash Access and Cash Access Limits**

With your PIN, you may use your Card to obtain cash from any ATM or any Point-of-Sale ("POS") device, as permissible by a merchant, that bears the Mastercard<sup>®</sup>, Cirrus<sup>®</sup>, or PULSE<sup>®</sup> Acceptance Mark. All ATM transactions are treated as cash withdrawal transactions. You may make up to six (6) ATM withdrawals during any 24-hour period (a "Day"). The maximum cumulative amount that may be withdrawn from an ATM per Day is \$940.00, but an individual ATM withdrawal may not exceed \$325.00, subject to any lower limits imposed by the ATM owner-operator. Any funds withdrawn from a POS device or through a participating bank (an "Over the Counter Cash Withdrawal") will be subject to the maximum individual transaction amount in the section labeled "Using Your Card/Features." A fee may be associated with the use of your Card to obtain cash; for information about the fee, see the section labeled "Fee Schedule."

### **Loading Your Card**

You may add funds to your Card, called "value loading," at any time after you successfully activate it. **IMPORTANT:** If you wish to receive Direct Deposits to this Card Account from, for instance, the employer of another member of your household, or U.S. Department of the Treasury payments (including joint tax refunds), you must add that household member as a Secondary Cardholder to this Card Account and request an Additional Card be issued in their name. There is no fee for an Additional Card for a Secondary Cardholder. However, a fee may be assessed for expedited delivery of an Additional Card; for more information about the delivery options and applicable fees, see the section labeled "Fee Schedule."

**Value Load Methods:** You may value load your Card (a) by in-store cash value load transactions conducted through any member of the Netspend Reload Network (see below in this section for more information about the network); (b) by arranging to have all or a portion of your paycheck, government benefits payment, tax refund, or other electronic funds transfer direct deposited to your Card Account using the Automated Clearing House ("ACH") system ("Direct Deposit" or "ACH Deposit"). In order to receive Direct Deposit value loads you must provide each of your payment providers with the Issuer's routing information and your assigned Account Number; (c) by arranging for the transfer of funds originating from a financial institution located in the United States; and (d) via a mobile check load network made available through an eligible third-party service provider. Each of these value loading methods has a different maximum limit. See below for a description of those limits. There may be fees associated with these methods of value loading. For information about the fees, see the section labeled "Fee Schedule." For more information on how to initiate each value load method, visit your Online Account Center at [www.PayPal.com/prepaid](http://www.PayPal.com/prepaid).

**Value Load Dollar Limits:** When we calculate the cumulative, *i.e.*, maximum amounts for standard value load dollar limits, Netspend will take into consideration all similar transactions made with any other Card Account(s) you may have that are serviced by Netspend, whether you are the primary cardholder or a secondary cardholder, and regardless of issuing bank. There is no minimum amount for additional value loads made via Direct Deposit; in-store cash value loads have a minimum amount of \$10.00, except where state law requires a different minimum in-store cash value load amount (this amount will be disclosed at the location where you intend to make an in-store cash value load). Standard value load dollar limits: (a) the standard maximum cumulative amount of in-store cash value loads is currently \$2,500.00 in any Day; (b) the standard maximum amount for an ACH Deposit is \$7,500.00; and (c) the standard maximum amount for a bank transfer using the ACH

system is \$7,500.00 per such transfer. The maximum value of your card account(s) serviced by Netspend, whether you are the primary or secondary cardholder and regardless of the issuing bank, is currently \$15,000.00. Any value loads you attempt to make that exceed the standard limits are subject to review and may be declined.

At our discretion, we may allow a load payment in excess of the limits disclosed above, including the maximum value limit, to post to your Card Account. However, if such a load payment is permitted to post to your Card Account on one occasion, there is no guarantee that any load(s), in any form, in excess of the disclosed limit will be permitted in the future. You will have access to your funds no later than thirty (30) minutes from the time we receive the funds. Personal checks, cashiers' checks, and money orders sent to the Issuer are not an acceptable form of loading. All checks and money orders sent to the Issuer for Card loading will be returned unless the full amount may be applied towards a negative balance, in which case the check or money order may or may not be loaded to the Card at the discretion of the Issuer.

A Netspend Reload Network Location Finder service is available by visiting [www.PayPal.com/prepaid](http://www.PayPal.com/prepaid); by enrolling in and using our real-time alerts service (*typically referred to as an "SMS" message*); or by calling **(866) 753-6440**. The minimum and maximum dollar value of any value loads made through the Netspend Reload Network will be subject to the terms established by the individual reload location.

### **Preauthorized Debits**

Your Account Number and the Issuer's bank routing number can be used for recurring payments to merchants, Internet service or other utility providers ("Merchants"). You may also arrange for recurring payments to Merchants using your Card Number or the bill pay services made available through our third-party service providers.

### **Right to Stop Payment and Procedure for Doing So:**

To stop a recurring payment to a Merchant you have preauthorized to debit your Card Account, you must first contact the Merchant to request the recurring payment be cancelled. If you have arranged for recurring payments to a Merchant using the bill pay services available through our third-party service providers, you should first contact the applicable third party service provider to cancel the recurring payment.

If the Merchant or bill payment service provider with whom you have arranged recurring payments from your **Account Number** is unable or unwilling to stop your payment, you can call **(866) 753-6440** or write to: PayPal Prepaid Card, P.O. Box 2136, Austin, TX 78768-2136 to request a stop on such payment. We must receive your request at least three (3) business days before the payment is scheduled to be made. Such a stop payment request will cancel a single, *i.e.*, one (1), recurring payment. If you want to permanently stop all recurring payments to a specific Merchant then we require you to put your request in writing and get it to us within fourteen (14) days after you tell us you want to stop such payments.

If the Merchant or bill payment service provider with whom you have arranged recurring payments from your **Card Number** is unable or unwilling to stop your payment, you can call us at (866) 753-6440 or login to your Online Account Center at [www.paypal.com/prepaid](http://www.paypal.com/prepaid) to request your Card to be cancelled, and to request a replacement Card.

There is a fee associated with each stop payment or replacement Card you request. For information about the fees, see the section labeled "*Fee Schedule*."

### **Notice of Varying Amounts**

If the recurring payments you make might vary in amount, the person you are going to pay will tell you the payment date and the amount of the payment ten (10) days before each payment is scheduled to take place. (*You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set.*)

**Liability for Failure to Stop Payment of Preauthorized Transfer:**

If you order us to stop a preauthorized payment three (3) business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

**Fraudulent Or Criminal Account Activity**

We reserve the right to block or cancel your Card Account or Virtual Account if, as a result of our policies and processes we detect what we reasonably believe to be fraudulent, suspicious or criminal activity or any activity that is inconsistent with this Agreement. We will incur no liability to you because of the unavailability of the funds that may be associated with your Card Account and/or Virtual Account.

**Using Your Card/Features**

**Limits affecting the use of your Card:** No individual purchase or Over the Counter Cash Withdrawal ("OTC Withdrawal") transaction made with your Card or Virtual Account may exceed \$5,000.00. You may use your Card to purchase or lease goods or services everywhere Debit Mastercard or PULSE cards are accepted as long as you do not exceed the value available on your Card Account and other restrictions (*see examples described below*) do not apply. Some merchants do not allow cardholders to conduct split transactions where you use your Card as partial payment for goods and services and pay the remainder of the balance with another form of legal tender. If you wish to conduct a split transaction and it is permitted by the merchant, you must tell the merchant to charge only the exact amount of funds available on your Card Account to your Card. You must then arrange to pay the difference using another payment method. Some merchants may require payment for the remaining balance in cash. If you fail to inform the merchant that you would like to complete a split transaction prior to swiping your Card, your Card is likely to be declined.

**If you use your Card at an automated fuel dispenser ("pay at the pump"), the purchase may be preauthorized for a transaction amount of up to \$100.00 or more. If your Card is declined, even though you have sufficient funds available, you should pay for your purchase inside with the cashier. If you use your Card at a restaurant, a hotel, for a car rental purchase, or for similar purchases, the purchase may be preauthorized for a transaction amount representing the purchase amount plus up to 20% or more to ensure there are sufficient funds available to cover tips or incidental expenses incurred. Any preauthorized amount will result in the placement of a "hold" on your available funds until the Merchant tells us the final payment amount of your purchase. Once we know the final payment amount, the preauthorized amount on hold will be removed. Generally, it may take up to seven (7) days for a hold to be removed. However, if the Merchant does not tell us the final payment amount, the preauthorized amount on hold may remain in place for up to thirty (30) days. During a hold period, you will not have access to the preauthorized amount.**

If you use your Card Number without presenting your Card (such as for a mail order, telephone, or Internet purchase), the legal effect will be the same as if you had used the Card itself (see below for additional information about how to obtain and use a Virtual Account). **Card Account restrictions include, but are not limited to:** restricted geographic or merchant locations where there is a higher risk of fraud or illegal activity; restrictions to comply with laws or prevent our liability; and other restrictions to prevent fraud and other losses. For security reasons, we may, with or without prior notice, limit the type, amount, or number of transactions you can make on your Card. You may not use your Card for illegal online gambling or any other illegal transaction. Your Card cannot be redeemed for cash.

Each time you use your Card or Virtual Account, you authorize us to reduce the value available in your Card Account by the amount of the transaction and any applicable fees. You are not allowed to exceed the available amount in your Card Account through an individual transaction

or a series of transactions. Nevertheless, if a transaction exceeds the balance of the funds available in your Card, you shall remain fully liable to us for the amount of the transaction(s) and any applicable fee(s).

If you make a transaction that creates a negative balance on your Card, you agree that within thirty (30) days of its creation you will add sufficient funds to your Card to cover the negative balance so that your Card has a zero or positive balance, or that you will otherwise immediately pay such an amount to us in full upon demand. If after thirty (30) days you have not added sufficient funds to cover your negative balance, your Card will remain open to receive credits and loads, which will automatically be applied to your negative balance before they are available to you; however, you will not be able to make any transactions using your Card until it has a positive balance, *i.e.*, sufficient funds to cover the negative balance. **If you have not reloaded your Card with sufficient funds to cover the negative balance within sixty (60) days of its creation, we have the right to cancel your Card Account. Additionally, we have the right to collect funds, equal to or less than the negative balance, from any other Card Account(s) you may have with us.** In all instances described above, loads to your Card may be made via Direct Deposit or any of the other load methods allowed for this Card.

You do not have the right to stop payment on any purchase or payment transaction (other than preauthorized debit transactions described above) originated by use of your Card or Virtual Account.

Should you voluntarily discontinue use of the Card, you shall remain responsible for the negative balance on your Card and agree that any credits or loads made to your Card will be used to offset the value of the negative balance, if any.

### **Virtual Account**

To purchase or lease goods or services or make payments by telephone or online without presenting your Card, you may request up to six (6) active Virtual Accounts. Each Virtual Account consists of a 16-digit Virtual Account number, a 3-digit security code, and an expiration date.

Each Virtual Account expires one year from the last day of the calendar month during which the Virtual Account was created. For example, if a Virtual Account is created on February 24, 2017, its expiration date is February 28, 2018.

When you use your Virtual Account without presenting your Card, the legal effect will be the same as if you used the Card itself. You must first Register your Card with us before you can request a Virtual Account (see the section labeled "*Activate Your Card*").

### **Purchase Cushion**

The Purchase Cushion is a special feature available exclusively to Cardholders who have completed at least one (1) direct deposit transaction. As described above in the section labeled, "*Using Your Card/ Features*," you generally do not have the right to make transactions or incur fees in amounts exceeding the available balance of your Card Account. We reserve the right to deny any transaction if available funds in your Card Account are insufficient to cover any transaction, fees, or other charges.

However, as a courtesy, and in our sole discretion, upon completing the qualifying direct deposit transaction(s), we may, from time-to-time, approve purchase transactions that you request that create up to a ten-dollar (\$10.00) negative balance in your Card Account. We refer to this feature as the Purchase Cushion. You will not be assessed any fees for Purchase Cushion coverage.

If you are eligible for the Purchase Cushion, we may authorize a negative balance resulting from PIN-based and signature-based transactions initiated through use of your Card or Virtual Account. Bill pay transactions initiated through our bill pay service providers are not eligible for Purchase Cushion coverage, nor are ATM transactions or ACH debit transactions initiated using the Issuer's routing number and your Account

Number. You may only have one (1) negative balance of up to \$10.00 at a time. It is important to keep track of the value in your Card Account because it will be your responsibility to determine if you have incurred a negative balance.

If you make a transaction that creates a negative balance in your Card Account, you agree that within thirty (30) days of its creation you will add sufficient funds to your Card to cover the negative balance so that your Card Account has a zero or positive balance, or that you will otherwise immediately pay such an amount to us in full upon demand.

If after thirty (30) days you have not added sufficient funds to cover your negative balance, your Card will remain open to receive credits and loads, which will automatically be applied to your negative balance before they are available to you; however, you will not be able to make any transactions using your Card or Virtual Account until your Card has a positive balance, *i.e.*, sufficient funds to cover the negative balance.

If you have not added sufficient funds to your Card Account to cover the negative balance within sixty (60) days of its creation, we will have the right to cancel your Card Account. Additionally, we have the right to collect funds, equal to or less than the negative balance, from any other Card Account(s) you may have with us.

In all instances described above, loads to your Card may be made via Direct Deposit or any of the other load methods described in this Agreement. Should you voluntarily discontinue the use of your Card, you shall remain responsible for the negative balance on your Card and agree that any credits or loads made to your Card will be used to offset the value of the negative balance, if any.

You acknowledge that a negative balance on your Card does not constitute an open-end line of credit. If we permit a negative balance on one or more occasions, we do not thereby obligate ourselves to permit a negative balance on any future occasion, and we may refuse to pay a negative balance for you at any time, even though we may have previously paid negative balances up to the \$10.00 limit for you. We have no obligation to notify you before we approve or decline a transaction that would result in a negative balance in your Card Account. Items will be approved or declined in the order they are received at the data processor.

### **Returns and Refunds**

If you are entitled to a refund for any reason for goods or services obtained with your Card or Virtual Account, you agree to accept credits to your Card for such refunds and agree to the refund policy of that Merchant. The Issuer and Netspend are not responsible for the delivery, quality, safety, legality or any other aspects of goods or services that you purchase from others with a Card or Virtual Account. All such disputes must be addressed and handled directly with the Merchant from whom those goods or services were provided.

### **Card Replacement**

If you need to replace your Card for any reason, please contact us at (866) 753-6440 to request a replacement Card. You will be required to provide personal information which may include your Card Number, full name, transaction history, copies of accepted identification, etc. There is a fee for replacing your Card. See the section labeled "*Fee Schedule*" for details. A fee may be assessed for expedited delivery of a replacement Card; for more information about the delivery options and applicable fees, see the section labeled "*Fee Schedule*."

### **Transactions Made In Foreign Currencies And/ Or With Merchants Located In Foreign Countries**

If you obtain funds or make a purchase in a currency other than the currency in which your Card was issued, the amount deducted from your available balance will be converted by Mastercard International Incorporated into an amount in the currency of your Card. The exchange

rate between the transaction currency and the billing currency used for processing international transactions is a rate selected by Mastercard International Incorporated from the range of rates available in wholesale currency markets for the applicable central processing date, which may vary from the rate Mastercard International Incorporated itself receives or the government-mandated rate in effect for the applicable central processing date.

If you obtain funds or make a purchase in a currency other than the currency in which your Card was issued, the Issuer may assess a Foreign Transaction Surcharge of 2.5% of the transaction amount and will retain this amount as compensation for its services. Transactions made outside of the fifty (50) U.S. states and the District of Columbia are also subject to this conversion fee even if they are completed in U.S. currency.

### Receipts

You should get a receipt at the time you make a transaction using your Card. You agree to retain, verify, and reconcile your transactions and receipts.

### Card Account Balance/Periodic Statements

You are responsible for keeping track of the available balance of your Card Account. Merchants generally will not be able to determine your available balance. It's important to know your available balance before making any transaction.

You may obtain information about the amount of money you have remaining in your Card Account by accessing your Card Account online, by enrolling in the real-time alerts service, or by calling (866) 753-6440 (there will be a fee for this call; see the section labeled "Fee Schedule" for details). This information, along with a sixty (60) day history of Card Account transactions, is also available online at [www.PayPal.com/prepaid](http://www.PayPal.com/prepaid). ### Fee Schedule

**All fees incurred on your account will be deducted from your Card Account balance, except where prohibited by law. In the event your Card Account balance is less than the fee amount being assessed, the entire Card Account balance will be applied to the fee amount, and any unpaid fee amounts MAY RESULT IN THE FEE BEING PENDED UNTIL A VALUE LOAD IS RECEIVED, AT WHICH TIME THE FEE AMOUNT WILL BE DEDUCTED FROM YOUR CARD ACCOUNT. If there is a Pended Fee on your Card Account, any subsequent deposits or loads into your Card Account will first be applied to any negative balance and any Pended Fees.
